

TECHNOLOGY ACCEPTANCE QUESTIONNAIRE

Dear Respondents,

We are student researchers from **Laguna State Polytechnic University** currently conducting a study entitled **“KABATAPRO: An Intelligent Youth Well-Being Assistant and Centralized Records System for the Local Youth Development Office, Santa Cruz, Laguna.”**

As part of this study, we developed KABATAPRO, a **web-based designed to support the Local Youth Development Office (LYDO) of Santa Cruz, Laguna** through centralized youth records management, monitoring of youth organizations, merit-demerit tracking, scholarship application management, youth activity coordination, and intelligent youth well-being assistance.

In line with this, we respectfully invite you to participate to evaluate the acceptance and perceived effectiveness of the developed system. The questionnaire focuses on the **Quality Factor, Perceived Ease of Use, Attitude Toward Using the System, User Experience, and Behavioral Intention to Use the System**. Your honest opinions and evaluation is valuable to this study and will help improve KABATAPRO. All information and responses gathered will be treated with **strict confidentiality** and will be used solely for **academic and research purposes**.

We sincerely appreciate your time, effort, and cooperation. Your participation will greatly contribute to the successful evaluation and further improvement of KABATAPRO.

Thank you for your valuable participation and support.

Respectfully,
